1810 Chairman Walter Hagedohm calls meeting to order.

All members were in attendance:

Diane Delaney

Julie Pena

Rick Gutierrez

Robert Murphy

1815 Walt updated the group as to what the Council has been involved in.

1. Contacts with Airport officials and progress made in the flyover disruptions caused by the flight schools. OSNC has requested to speak at the next Airport Commission meeting in November.
2. A discussion followed about the application and progress of Oxnard Holistics application to open cannabis and cannabis accessories store at the Oxnard Shores Shopping Center. Walt has had meetings with this Company's representatives. They will have an introductory meeting on Nov 4th at the Embassy Suites to introduce themselves to the Community. A public hearing about this application will be heard by the Oxnard Planning Commission on Nov 15th. Final Planning Commission decision on Jan 13, 2022.
3. Walt spoke about the status of the STR license reviews and permits. He has spoken to Scott Kolwitz planning and Environmental Services Manager this status. Board requests efforts are made to get the City to provide more transparency about these licenses.
4. Julie Pena gave an update on the Redistricting process underway both in the City and the County. New maps are presently being drawn based on the results of the 2020 US Census results. Review will be ongoing and public hearings are scheduled through Feb 2022. The City has until April 17, 2022 to complete the process.
